

**REMARKS**

This Amendment is responsive to the Office Action dated May 29, 2009. No new matter has been added.

Applicants express their appreciation for the Examiner's indication of allowable subject matter in the claims as well as the Examiner's helpful suggestions regarding how some of the claims can be amended to obviate the objection under 35 USC 112, second paragraph. The Examiner's suggestions have been reviewed and confirmed for accuracy by the Applicants.

The specification is objected to because the title of the invention is allegedly not descriptive. The Title of the Invention is changed as hereinabove described and the title is now believed to be clearly indicative of the invention to which the claims are directed. Withdrawal of the objection is respectfully requested.

Claims 1-8 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter of the invention. The claims are amended to obviate the rejection. Withdrawal of the rejection is respectfully requested.

As indicated in the Office Action, claims 1-8 would be allowable if rewritten or amended to overcome the rejection(s) under 35 USC 112, second paragraph. Claims 1 and 7 are amended in this manner and, as a result, are now in condition for allowance.

Claims 2-6 depend from claim 1 and includes all of the features of claim 1. Thus, it is respectfully submitted that the dependent claims are allowable at least for the reason claim 1 is allowable as well as for the features they recite.

Claim 8 depends from claim 7 and includes all of the features of claim 7. Thus, it is respectfully submitted that the dependent claim is allowable at least for the reasons claim 7 is allowable as well as for the features it recites.

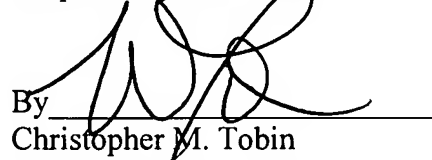

It is respectfully submitted that the pending claims are believed to be in condition for allowance over the prior art of record. Therefore, this Amendment is believed to be a complete response to the outstanding Office Action.

In view of the foregoing, reconsideration of the application and allowance of the pending claims are respectfully requested. Should the Examiner believe anything further is desirable in order to place the application in even better condition for allowance, the Examiner is invited to contact Applicants' representative at the telephone number listed below.

Should additional fees be necessary in connection with the filing of this paper or if a Petition for Extension of Time is required for timely acceptance of the same, the Commissioner is hereby authorized to charge Deposit Account No. 18-0013 for any such fees and Applicant(s) hereby petition for such extension of time.
